To  
Have a  
Merry Christmas  
A merry Christmas indeed  
Here is a special list  
Of a few things you need  
There should be smiles and laughs  
Scattered all across the floor  
Buckets and buckets of love and joy  
Hanging by the windows and the door  
Every Christmas there's nothing like happiness  
Hanging all over the Christmas tree  
And only the thought giving instead of taking  
Should completely invade the minds of you and me  
Everyone in the family should always try to be helpful  
And Carols will be playing all around  
Any type of ungratefulness and negativity  
Surely will be ignored and nowhere to be found  
Your actions should be nothing but gentle, loving and  
kind  
And each word sweet like a cherry  
All of these things this Christmas  
Will make your Christmas Merry
