Freemasons Community Fund

Dear Mr Cheadle and fellow brothers.

We would like to thank you **all** at East Lancashire Masonic Charity for your kind and very generous gift of £2000.00. This money will enable us as Leaders to buy camping equipment for the group and that in turn will allow some very under privileged children to have a holiday. Please visit our group any time you wish to see what a difference you are making to our Group and the neighbouring community. We re-formed Tuesday 8th January 2013 a group that had been closed for fifteen years in Higginshaw Rugby Social Rooms. The local children were bored and had nothing to look forward to, their parents are grateful to us for setting up a Cub Pack to try and make a difference at least for one night a week and now: We can now add a camp to our programme of events.

WE ARE EXTREMELY GRATEFUL TO YOU!

The Leaders and Cubs from 83rd Oldham Cub Scout Group

Would like to say

Thank You!

Regards
Steve
