18th December 2013

Dear Sirs,

Once again I am writing to thank you for the generous cheque + greetings sent to me for the Festive Season. This is very kind + much appreciated + also, as I have said previously, it is lovely to be remembered. My Husband, who was a Past Master of Zodiac Lodge, (now closed) has been dead for 42 years now she would have been pleased to know that the ELMC have kept in touch with me.

I am well + active. I have a very good family + I will be spending Christmas + New Year with them. I am extremely fortunate.

Many thanks once again for your Good Wishes. Also for

P.T.O.

The cheque (which will be put to good use)
& the Birthday Card which I received
in October.

Please pass my Best wishes
for a Happy Christmas & a Happy,
Healthy, & Peaceful New Year to
all concerned.

Yours sincerely,
