Dear Trustees,

RE: Donation from The East Lancashire Masonic Charity

It is with great pleasure that I am writing to you to confirm the receipt of your cheque for £1000 towards Therapy Tricycles for disabled children living in East Lancashire.

Thank you so much for sharing our vision for sick and disabled children across the UK and making a donation to Caudwell Children. Caudwell Children uses every penny of your donation to help children in desperate need. You are bringing real change not only to the life of a disabled child but also to the lives of their whole family.

Today 100 children will be born with a disability, 27 children will be disabled in an accident and 10 families will be told their child has cancer. From today their lives will change forever, nothing prepares a parent for this news. It can seem like normal life stops and a different journey begins. Together we are helping families on every step of what can seem a dark and lonely journey.

Caudwell Children relies 100% on voluntary income and without the support of people like you we would be unable to continue to provide our essential services to those that really need them.

I have enclosed a receipt with this letter for your records. We are always keen to learn more about you, and how you would like to be kept informed about our work. Please do not hesitate to contact myself Alexander John on 01782 600422 or email alex.john@caudwellchildren.com

Once again thank you for helping us to change the lives of sick and disabled children.
Yours sincerely

A. John
