INTRODUCTION FROM OUR PRESIDENT – Sir David Trippier, RD, JP, DL

As the President of the Charity, I have been privileged to have been active in all the aspects of the ELMC and I never cease to be impressed by the excellent work which is carried out by such a wonderful organisation.

Since we effectively closed our successful 2015 Festival, we have seen the financial support for the ELMC grow dramatically and I wish to place on record my sincere and profound thanks to all those Lodges, Chapters and individuals who have been so generous in the support they have given us. My special thanks must go to Ken Davies and the "Fund Raising Committee" for all their hard work in that regard.

I must also thank the members of "The Grants Committee" whose job it is to disburse our funds in such a responsible way.

The consolidation of the national Masonic Charities into one central organisation under the "Masonic Charitable Foundation" has been successful and widely welcomed. There have been opportunities where that new Charity has provided matched funding to our contributions from the ELMC.

2017 will be our Tercentenary Year, and we will celebrate that significant Birthday in many ways. All of us have pride in being a member of one of the World's oldest Charitable Organisations. That emphasis on Charity has ensured that, through the ELMC, we can certainly say we have made a considerable difference to many organisations, individuals and families within this Province.

As you read this introduction for this 2016 Annual Report, you will recall that, following the horrendous Terrorist Attack at the Manchester Arena on May 22nd, 2017, we acted swiftly to make a significant donation for the families of those who were killed or injured in that attack. Subsequently we were supported by many other Provinces in England and Wales as well as Lodges, Chapters and individual Brethren who were so kind in supporting us in this crisis.

The total amount of money we raised was circa £240,000, and I was privileged to present a cheque to the Chairman of the Trustees of the, 'We Love Manchester Emergency Appeal'. This, for me, was a unique and heart-warming experience and made me feel very proud to be a Freemason.

In closing, I would like to offer my sincere thanks to Chad Northcott, the Chairman of the ELMC, his Board members, those who sit on the various ELMC Committees and our wonderful ladies in the Welfare Office for their continued efforts on behalf of the Charity. Without their continuing commitment, our Charity could not provide this essential and important work.

Rt. Worshipful Brother Sir David Trippier
President

The role of the committee is to determine the provision of charitable assistance to needy Freemasons, their widows or other dependent relatives. The Committee of Benevolence operates two Sub-Committees' – the Comforts Fund Committee and Young People's Committee. Much of the work of the Benevolence Committee is co-ordinated with the Freemasons' Grand Charity in London to whom petitions are submitted for consideration.

The Grants Committee supports non-Masonic charities and other good causes that are proposed by Lodges and Districts within the Province of East Lancashire. It encourages the active involvement of Freemasons within their local communities.

The sub-committee monitors the Charity's investments at regular meetings with advice taken from W H Ireland Ltd, its Stockbroker.

OBJECTIVES AND ACTIVITIES

The Charity is the central vehicle for the delivery of Masonic charity and care on behalf of Freemasons in East Lancashire. It augments the charitable work of Freemasons in their Lodges and Districts by supporting those in need within the wider Masonic "family", eligible projects which benefit local communities and other good causes.

The specific objectives for which the Charity is established are:

1. The relief of poverty by the provision help and assistance to needy Freemasons, or their widows or any other of their dependent relatives, living predominantly but not exclusively in East Lancashire.
2. The education of children of needy or deceased Masons.
3. To make grants in cash or kind for the purpose of relieving the immediate and pressing needs of Freemasons or their families who live predominantly but not exclusively in East Lancashire.
4. To provide help and assistance to other charitable and good causes for the general benefit of the public or communities situated predominately but not exclusively in the East Lancashire area.

The Trustees confirm that they have complied with the duty in section 4 of the 2011 Charities Act to have due regard to guidance published by the Charity Commission on public benefit.

ACTIVITIES OF THE YEAR

The core activity of this Charity, since its inception over one hundred years ago, has been to support and care for the less fortunate within our Masonic and the extended community. The number of beneficiaries supported by the Committee of Benevolence and the Welfare Office was 707 in this financial year. In addition to the time given freely by Almoners, Charity Stewards and many other committed Freemasons, the financial value of the grants and support to East Lancashire beneficiaries in 2016 consisted of £93,090 from the ELMC and a further £498,716 (supporting 185 beneficiaries) from the Masonic Charitable Foundation (financial support £120,970, education £122,344, health £82,646 and residential care £172,756)

The ELMC Grants Committee is now well established and is giving financial support to projects, often in which Freemasons are actively involved, bringing benefits which improve the quality of life in local communities. It continues to make grants to local charities and good causes where comparatively small contributions make a considerable difference. In 2016 the Fund received 43 applications (in 2015 - 25 applications were received) and approved grants to 37 organisations (in 2015 – 23 were approved) totalling £57,169 (2015 - £31,524.)

Other ELMC donations include £9,000 (Masonic) and £4,262 (non-Masonic).

Hewlett Court, the sheltered accommodation owned and operated by the Charity, continues to provide a happy and nurturing environment for its residents, with a capacity of a maximum of 44 residential places.

Julie Ward, Operations Director for ELMC and Hewlett Court, continues with the management of the day to day activity of the Charity from her base at Hewlett Court.

During the year the membership of the Board and its various committees has been considered and the governance of the constituent parts of the Charity has been kept under review. As reported in previous years we continue to monitor the governance of the Charity and risk management at all levels of the operation.

This annual report provides more detail on the activities of the individual components of the charity.

The Committee of Benevolence (COB) meets monthly throughout the year to consider petitions brought to them by the Provincial Welfare Office, Almoner or other concerned Brethren on behalf of Freemasons, their family and dependants who are thought to be in need, for either financial assistance or other forms of support. Whilst financial assistance is the main form of support other factors are taken into consideration where appropriate. Assistance is also considered for home repairs or household appliances and any special needs equipment to help improve the quality of life, with each case being considered on its merit.

All applications for support are considered first by the COB and, where appropriate, are submitted to the Masonic Charitable Foundation (MCF) for further consideration. In the last year, the MCF supported our Beneficiaries with a sum of £498,716, with additional support given by the ELMC of £51,995 inclusive of Birthday and Christmas Gifts.

The total number of beneficiaries for 2016 being 707, comprising of 91 Widows, 19 Brethren, 29 Married Couples, 3 Spinsters, 1 Bachelor, 54 Young People, 36 Residents of Hewlett Court, and 474 Widows of Closed Lodges, due to the unfortunate closure of Lodges the latter figure having increased considerably since the previous report in 2015.

During 2016 there were 30 New Petitions for financial support, 86 cases were reviewed and 7 made new Beneficiaries of the Charity.

Although the Committee of Benevolence meets monthly to consider petitions, we also aim to react as quickly as possible to any request for immediate assistance which are received, with each case being considered on its merit, the Chairman working closely with both the Provincial Grand Almoner, Provincial Grand Charity Steward, supported by Julie Ward and Karen Hall, with such emergency cases being ratified at the next COB meeting.

The appointment of the Provincial Welfare Officers and their knowledge of the Government Welfare system has enabled petitions for support to be processed in a much quicker manner than previously.

I would like to offer thanks to my predecessor Steven Barton for all his hard work during his time as Chairman since 2013, I would also like to offer sincere thanks to Julie and Karen at Hewlett Court for the help and support they have offered to help me settle in to my new role, not forgetting of course all the members of the Committee and Provincial Welfare Team for their dedication and support.

Spring Party

The Comforts Fund Committee organised this year's Spring Party at Middleton Masonic Hall on Thursday 14th April 2016. The event was supported by the President of the ELMC, Sir David Trippier and his wife, along with a number of Officers of the ELMC and Assistant Provincial Grand Master's and their partners.

WBro Charles Ward and his Committee members greeted almost 100 guests of the Charity. There were also a number of residents from Hewlett Court in attendance.

The afternoon commenced with a tea and biscuits reception followed by a three-course dinner. After dinner entertainment was provided by Barry Jackson who sang a selection of songs as well as playing the flute and saxophone.

During the evening, the committee members and officers could circulate and chat amongst the guests. Each guest was presented with a gift to remember the evening.

An excellent evening was enjoyed by all.

Annual Holiday

The ELMC Comforts Fund Committee arranged for the Annual Holiday for 2016 to take place from 28th May to 4th June 2016, once again, at the Clifton Park Hotel, St Anne's on Sea. This venue becomes more and more popular each year resulting in fifty-five widows and Brethren of the Province attending the holiday along with the Comforts Fund Chairman, WBro Charles Ward and Julie Ward.

The group departed from Hewlett Court where a tea/coffee reception was provided followed by a wonderful buffet lunch, prepared by our resident Cooks Melanie and Mariya. A glass of wine [or two] was also enjoyed prior to departure for St Anne's.

It was such a wonderful atmosphere with both Residents and holiday attendees mixing together.

On Thursday 2nd June, a day trip was arranged for afternoon tea at the Grange Hotel, Grange over Sands. The Hotel was spectacular and the staff looked after the group extremely well. The weather was glorious and an excellent day was had by all.

On Saturday 4th June, we returned to Hewlett Court for a light lunch before saying our goodbyes until the next time we meet in September for the Autumn Outing

As always, the food, facilities and staff at the hotel were fantastic with the added bonus of the glorious sunshine for the full week.

The Brethren of East Lancashire should be very proud of the work that they do to enable the Charity to fund such events.

Autumn Outing

The Comforts Fund Committee continued their yearly programme of events with an Autumn Day Out which took place on Wednesday 14th September 2016.

The day commenced at 9.30am where 30 guests, together with the Comforts Fund Committee Chairman, arrived at Hewlett Court for a tea and biscuits reception. The coach departed at around 10.15am to depart for Cheshire Oaks.

After an excellent “shopping experience” the group was taken to Christleton Masonic Hall for Lunch. A three course meal was provided with wine in a very picturesque setting. The weather was also warm and sunny allowing everyone to sit outside after lunch prior to the return journey.

The Comforts Fund Committee aims to provide a ‘special’ day out which is so much enjoyed by all our beneficiaries. Many of our guests just enjoy meeting up with old friends once again.

Each beneficiary of the Royal Masonic Trust for Boys and Girls who has a Masonic connection in the Province of East Lancashire automatically receives additional support from the YPC. Our aim is to build upon the work of the RMTGB by creating a community where the beneficiaries are able to meet with others who have experienced similar life changing events.

By organising a number of events each year, the YPC provide a forum where the Young Persons can take part in a range of activities and meet in an informal social gathering. The parent / guardians are also invited to attend these events enabling them to share experiences and possible solutions.

We try to host six events each year. The events are normally held during the school holidays, seeking to provide the Young Persons with activities that they would not normally be able to participate in.

In 2016, we organised six events: Chill Factore, Sale Sharks, Mama Mia, Harry Potter World, Cadbury World, and Chitty Chitty Bang Bang.

Chill Factor 5th April 2016

On the 5th April, we visited the Chill Factore. Ten young people accepted our invite to gain or further hone their skills on the slopes of Trafford Park. Everybody arrived on time to be kitted out for a one o'clock start. The group had a mix of skills, some members having attended previous sessions and those making their first visit. After being introduced to our coordinator for the event, Jen, the group were assigned to the relevant instructor dependent upon ability. There were a few spills, collisions and falls, during the two hour session but no real harm done. After the skiing and snowboarding the participants, accompanied by one of the parents, faced the challenge of the wall climb.

Nandos' is opposite the climbing wall and is always chosen by the young people for the evening meal. After taking the order, which seems to have an endless list of options, whatever happened to a simple question "salt and vinegar?", the meals were served and devoured before all of the attendees were collected by parents or transported home by a YPC member.

Sale Sharks v Montpellier 8th April 2016

We were fortunate to be offered tickets to the Sale Sharks v Montpellier game at the A. J. Bell Stadium on the 8th April. The tickets were donated by Ian Blackhurst one of the owners of Sale Sharks. Ian had provided his private box and suite for our use on the night. Two of the Sale Sharks team joined us for the game, Mark Cueto and Josh Charnley. After posing for numerous "selfies" everybody settled down to watch the match. Sale lost, but it did not diminish the excitement of the night.

In the words of one of the beneficiaries who attended, Isaac.

"A lot of us came to the game (ha that rhymes) including myself and granddad who live for the game. We were really surprised when we found out that our tickets said "West stand box". It was such a great experience and we are so thankful for getting this opportunity. Thank you to all those who helped get the tickets, was a game I will never forget."

Isaac's full report on the night is on the ELMC website.

Mamma Mia 1st June 2016

When the YPC sent out invitations asking if the Young People wanted to come to a performance of Mama Mia the response was a resounding “I do, I do, I do, I do, I do “. On the 1st June sixteen Young People accompanied by a parent / guardian met at the Peking Court, Princess Street to enjoy a buffet meal. When everybody had eaten and “When all is said and done” it was time to walk round to the Palace Theatre in time to take our seats before the performance.

The show was fantastic it was like being in a “Dream world”. Everybody was enthusiastic in their enjoyment of the singing and dancing. The first act passed too quickly. After an ice cream at the interval everyone was “As good as new” and ready and eager for the second act. At the finale, everybody was on their feet and ready to “Dance (while the music still goes on)”.

At the end of the show with everybody feeling that they had won their own “Waterloo” it was time say goodbye “The way old friends do”.

Harry Potter World at Warner Bros Studios 3rd August 2016

At 07.45 on the 3rd August sixteen Young Persons, eight parent / guardians and four committee members met at Manchester Piccadilly Station to take the 08.15 train to Milton Keynes. We had to leave from Platform 6, there isn't a 9³/₄ at Piccadilly. On joining the train the Hogwarts quiz papers were handed out. Our party divided themselves into groups and with much rivalry, and attempts at giving out disinformation, the teams set about completing the task. The ninety minute journey to Milton Keynes passed quickly. After a coach ride from Milton Keynes Central we arrived at Warner Bros. Studios, Leavesden, shortly before 11.00.

The Harry Potter Studio Tour includes visits to the actual film sets used in making the films. Visitors are shown how the special effects, that made the films so successful, were made. After a brief introduction and explanation of how the films came to be made our tour group entered the Hogwarts Great Hall and then on to a series of magical sets including the Potions Lab, Dumbledore's Study, the Gryffindor Common Room and many more. Also on display was a wide range of Broomsticks and other essential equipment for a young wizard. Half way through the Tour it was time to take lunch and a glass of Butterbeer.

The second part of the tour includes more film sets including Diagon Alley and Privet Drive amongst others. One of the exhibits that causes a sharp intake of breath is the magnificent model of Hogwarts Castle built for the films. The exhibit shows the skills and detail used by the model makers.

It was soon the witching hour of 15.45, time to take the coach back to Milton Keynes. The coach dropped the party off outside Zizzi's restaurant in the Hub. Following the meal, it was a brisk walk back to Milton Keynes Central to catch the return train to Manchester. The prizes for the team winners of the quiz, set earlier in the day, were made. Arriving back at 20.30. After everybody had said their farewells and their transport home had arrived it was the end of a day many will remember always.

Cadbury's World 27th October 2016

On Thursday 27th October 09.30 am, thirteen Young People and six parents / guardians met with three members of the YPC to begin their journey to Bournville. The Young People hadn't

found a “Golden Ticket” in their Wonka Bar they had accepted the invitation from the YPC to join them on a trip to Cadbury World.

The journey began at Manchester Piccadilly Station, taking the train to Birmingham New Street then onto Bournville. When everybody had taken their seats the Chocolate Quiz questionnaires were distributed. The next action, of everybody, was to access the internet, via the on board wifi, for the answers. After a delayed start at Manchester we arrived at Bournville on time. Cadbury World is a short walk from the station.

Cadbury World is a theme park based in part of the Cadbury factories that are Bournville. The experience starts with a history of chocolate and then moves onto the founding of Cadbury’s, its creation of Bournville and the values held by the founders. Other zones include manufacturing, packaging, chocolate making, Purple Planet, 4D Chocolate Experience, Adventure Play area. Samples are available during the tour. After four hours in Cadbury World the group met and returned to Bournville station.

Our first stop, Birmingham New Street and Grand Central the shopping and entertainment centre located above New Street station. We had reservation at Carluccios restaurant. Good food together with good service refreshed the energy levels and allowed extra time for some to visit the shops.

Our return train at 19.57 was late departing but made up the time arriving in Manchester five minutes late. The quiz questionnaire was marked and the winners awarded their prizes.

Chitty Chitty Bang Bang 30th December 2016

The YPC Christmas event was held on the 30th December 2016. Seventeen Young People accompanied by fourteen parents / guardians joined some of the committee members and their wives to see Chitty Chitty Bang Bang at the Lyric Theatre in the Lowry Centre.

The show starring Jason Manford, Phil Jupitus and Claire Sweeney, was brilliant. The story had everybody laughing and the stage effects were amazing. At the end of the show it was a short walk within the Lowry to the Hexagon Bridge and Room that the committee had booked for the group to have a festive meal and party.

Once the Young People had organised themselves into who was sitting where, and had put down the card with their menu selection dinner service began. After the first course “Huggy” aka W. Bro Kevin Hawley began taking requests for Karaoke. This group do not need cajoling or encouraging. Everybody wants to be included. Karaoke continued throughout the meal service after which everybody took to the dance floor.

At the end of the party it was time for goodbyes well-wishing for the New Year and hopes that everybody progressed at school or college during the next year.

GRANT MAKING COMMITTEE

Chad Northcott	Chairman
Sir David Trippier	President, Provincial Grand Master
Derek Thornhill	Deputy President, Deputy Provincial Grand Master
Brian J Carter	Provincial Grand Almoner
Ken Davies MBE	Provincial Grand Charity Steward
Peter Faulkner	
David Lightbown	
David Dunn	
Gerry Russell	Communications Liaison Officer
Mark W Davis	Provincial Grand Almoner
Karen Hall	Secretary

The Grants Committee considered 43 applications for funding during 2016; 37 grants were approved totalling £57,160. This was an increase of 18 applications over the previous year (when £31,524 was dispersed). There is increasing engagement with our local communities across the Province, and we are actively encouraging Districts, lodges and individuals to make greater use of the fund, to help them connect with their local communities and develop positive public relations as we approach the tercentenary of Freemasonry in 2017. We now also receive direct applications for funding from other charities and good causes, most of which we can refer to the Districts to seek their approval before proceeding. This gives the local team the opportunity to capitalise on the donation opportunity and, in many cases, offer hands on support too. From its launch in 2006 the Fund has approved grants to a total of £430,849.26.

Across the Province, the Grants Committee has continued to support the Teddies for Loving Care Initiative, providing teddies to help calm anxious children in A&E units and Family Courts. They have also been used in hospices to maintain a link between children and their relative, who have a bear each.

The Committee has a stable and experienced membership. During 2016 the ELMC 'Forward Strategy', began to become implemented. The ELMC Grants Committee has greater remit and limits of authority than its predecessor, the Community Fund. It now considers all applications for non-Masonic support and financial assistance, seeking sanction from the Board for any Grants it seeks to approve that are in excess of £5,000. The criteria used for approval of awards are wider arranging than hitherto, sitting comfortably within the definitions of charitable causes defined by the Charity Commission.

A complete list of approved Grants is maintained and displayed on the ELMC website. Supported initiatives are regularly communicated on social media channels and well reported in the Media, by both the Freemasons and the good causes and charities we support. We continue to audit the recipients of approved Grants to ensure our funds are utilised for the purpose they have been given, and to obtain further publicity, both for the good of Freemasonry and the Charity.

The role of the ELMC Grants Committee and its donations cannot be understated, in publicising the Charity and the Province in our local areas. We aim to contribute to raising the profile of both Freemasonry and the ELMC, portraying a positive image, positively changing the perceptions and understanding of Freemasonry, and attracting new members to the fraternity.

HEWLETT COURT ADVISORY COMMITTEE

Julie Ward	Director of Operations
John Hudson	Secretary

David Garnett	
Geoffrey Baillie	
Chris Wildman	

There has been a continuing programme of works at Hewlett Court with which the Advisory Committee have been engaged with. The Committee offers a wide range of skills and knowledge which is invaluable in supporting Julie and the Management Team with the day to day running of Hewlett Court.

The Committee held two meetings with the Representatives of the Residents and I am pleased to report that the feedback was very good.

Beverley Schofield, the Hewlett Court Manager and Rachel Cookson, Team Leader have completed level 5 Diploma in Management and Leadership.

Chris Wildman has taken over as the Treasurer at Hewlett Court and reports that H.C. appears to be in good health financially.

I wish to thank Julie, Beverley, Zena and all the Staff at Hewlett Court for making it a happy and successful home for the Residents, along with Charles Ward and his happy band of men who run the Comfort Fund, and not forgetting the Friends of Hewlett Court for all their efforts.

Finally, I thank the Members of the Committee for their support over the past twelve months.

Hewlett Court 2016

In traditional Hewlett Court style, we waved goodbye to 2015 with a party for the Residents and welcomed in 2016 with a hearty breakfast accompanied by bucks fizz and a few hangovers!!

The first few months into the year were a busy year at Hewlett Court, the waiting list stood at fourteen people and we were running at full occupancy.

The events dairy was full with outings and in-house entertainment organised by the "Friends" Committee and the Management Team. There was a party to celebrate Melanie Ard's 25 years of service as the Cook at Hewlett Court in early February, involving Residents and Staff.

Other activities involved Valentines Day celebrations, curry nights, a Body Shop Party, Go's on Tour, Residents' significant Birthday celebrations, Singers, cinema nights, a MacMillan Coffee Morning, visits by the children of Holcombe Brook Primary School and an afternoon tea for the Queens Birthday. There are also Residents meetings held throughout the year enabling every Resident to have their say.

The established ELMC Annual Holiday set off from Hewlett Court in May, the holiday makers enjoyed a lovely buffet prior to boarding the coach for a week in the St Anne's sun.

A trip to Blackpool Lights on a double decker bus took place on 20th September with a fish and chip supper. This was a very eventful but enjoyable occasion.

Bonfire Night was a success as usual, with a fantastic firework display, Residents, staff, families and the local community all joined in to appreciate the night. It was explosive!!

The Annual Christmas Fair, which took place at the end of November, was a brilliant day. The money raised went back into the Comforts fund for the benefit of all the Residents. The Residents embraced a day of hustle and bustle and a super time was had.

Just prior to Christmas the Dining Room was refurbished and all the Residents were over the moon with the results. A legacy from a past Resident contributed to the costs.

Christmas at Hewlett Court is always a fantastic atmosphere. On 8th December the Residents were invited to Bury Football Club for the "Winter Wonderland" afternoon tea. Leading up to Christmas there were quizzes, carols, Christmas bingo and the Bury Veterans Choir.

As is tradition, we held the Christmas and New Years Eve Parties, the Residents certainly know how to party. There was a family feel at the Christmas lunch. The new tables were put together to make two long tables headed by Julie Ward and Charles Ward.

Many of the ELMC Committee's now hold regular meetings at Hewlett Court and the Residents enjoy seeing visitors and now familiar faces.

The Management Team and Staff strive to achieve yet another successful year ahead.

The Investment Committee meets on a regular basis to review the portfolio of investments, and aims to achieve a balance of capital appreciation and income return.

In the financial year, the value of our investments increased after allowing for capital injections. Income during the period increased marginally, and the total return remained positive at 3%.

During the past year, we have seen just two changes in representation (City Derby and Burnley and Pendle) and we would like to place on record our sincere thanks to the retiring Officers for their valued contributions and wish them well in their future Masonic endeavours. A warm welcome to the newly appointed District Charity Stewards and we look forward to you taking an important role in communication and promoting charitable giving, via the Lodges and Chapters in the Province of East Lancashire.

Giving to Charity will always be a priority and communication is so vital in assuring that every Brother and Companion has a full understanding of what the ELMC does and how we can support it. Please promote the ELMC at every opportunity and help us to care for needy Freemasons, their Widows or Dependent Relatives and to reach out to those in our local Communities who are so deserving of our charitable support.

The ELMC Fundraising Committee is now very much up and running and the members are really encouraged to make it work for the benefit of our Charity. Two excellent ELMC Presentations are now available for use throughout the Province and the Committee are

working closely with the District Charity Stewards, who will play ‘a key role’ in this regard. Earlier in the year ‘An Evening with the ELMC’ was organised by the Committee, which was most successful and very positively received by all those attending. In addition, a new Fundraising Page has been produced for the ELMC Website, thereby encouraging Brethren, Family and Friends to donate as ‘Friends of the ELMC’. Two new forms are now available, ‘Making A Donation’ and ‘The ELMC Grant Application Form’, which have both been distributed throughout the Province. We also have a new ‘ELMC Friend’ Membership Card for both existing and recently joined Brethren. Have you got yours yet? We believe the new Forms and Cards complement each other and provide the right image for the future of the ELMC. The use of Social Media and the importance of communication in general regularly feature in discussions at our Meetings. We have also completed some initial planning of Fundraising articles, promoting ‘The Friends’ membership and Legacy Giving for the proposed new ELMC Brochure.

During the year, we held our first very productive joint Meeting of the District Charity Stewards and ELMC Fundraising Committee. All present contributed to a very positive open discussion which covered many interesting topics and illustrated the importance of regular two-way communication in the future. These joint meetings will now be held on an annual basis. We are also pleased to report that ‘District Evenings with the ELMC’ are now regularly happening throughout the Province. Closer links have recently been established with the Masonic Charitable Foundation, who asked if we would represent them locally, relevant to their Grants awarded to deserving Charities. We duly attended and were pleased to present Certificates and discuss their varied Projects with the chosen Charities.

The first ‘Friend’s Draw’ occurred at Provincial Grand Lodge in November and a photo shoot with the lucky winner quickly followed. It is planned to hold three Draws during the Masonic year in future.

Both the ELMC Fundraising Committee and the District Charity Stewards Committee are fully committed to assisting our Charity to move forward, particularly with relevance to the many varied opportunities offered at this present time.

We are continually grateful to all the ELMC Sub-Committees for the excellent work they all do each year on behalf of our Beneficiaries and those less fortunate than ourselves. The core activities of the Charity revolve around the Committee of Benevolence, the Comforts Fund Committee, Young People’s Committee, the Grants Committee and the Hewlett Court Management and Advisory Committee and are fully recorded earlier. Their assistance in kindly supporting the District Charity Stewards and the new Fundraising Committee to communicate the message of charity is so much appreciated.

Our sincere thanks to the Honorary Secretary, Honorary Treasurer and Board of Directors of the ELMC for their assistance, guidance and support at all times. A special ‘Thank You’ to the Welfare Team, Julie Ward and Karen Hall and the Staff at Hewlett Court for the ongoing wonderful part they all play in providing regular back up for our charitable efforts.

The Province continues to promote and support the ELMC as the principle recipient of our charitable giving from the Brethren and Lodges. Now assisted by both the District Charity Stewards and the Fundraising Committee, it is planned that the financial position of our own Charity will be secured for the foreseeable future. We will certainly continue to value your full support and involvement at all times. Thank you.

FUTURE PLANS

The core activities of the Charity continue to revolve around caring for our beneficiaries through the Committee of Benevolence, the Comforts Fund, Young Peoples Committee, and the Hewlett Court Advisory Committees. The activities of each of these groups have been fully recorded previously in this booklet. These remain the most important areas of our activity and will continue to be our priority in the year ahead.

The new ELMC Fund Raising Committee is committed to encouraging donations to the Charity and has performed sterling work during 2016, helping to boost income from £115,326 in 2015 to £242,420 in 2016. This work will continue into 2017 to ensure the financial position of the Charity is secured and provide a healthy platform to meet the demands of our core activities and provide for increased charitable giving.

The Grants Committee will continue to receive applications, consider and make grants to Non-Masonic Charities. In this respect, the Charity has implemented forward strategy after undertaking a complete review of its operational guidelines during 2015, in a bid to encourage applications from the Brethren, Lodges and Districts, with the aim of helping to support our local communities and to raise the profile of Freemasonry. Our funds come from Freemasons, so the more support the charity gives to the Province the better it is for the charity.

2017 will be the Tercentenary Celebration Year for Freemasonry – 300 years since the formation of the first Grand Lodge. This is an excellent opportunity for the Province of East Lancashire to promote itself to our local communities, improve public relations and attract new members. The ELMC will maintain its strong relationship with the Province. This is essential to maintain contact with beneficiaries, gain and support new beneficiaries, and to promote the Charity itself, amongst our members and the wider community.

We will be reviewing and developing the communications strategy and plan for the ELMC and Hewlett Court, which will also support marketing and promotional activities. This will also aid the Province with recruitment.

The ongoing investment and refurbishment within Hewlett Court will continue to ensure that the excellent standard of facilities and service provided for the residents are maintained.

FINANCIAL REVIEW AND RESULTS FOR THE YEAR

FINANCIAL RESULTS

The reports and accompanying financial statements reflect the reporting requirements of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1st January 2015) – (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102), the Companies Act 2006, and the Company's Memorandum and Articles of Association.

The Charity's unrestricted total incoming resources was £1,242,487 in the year, compared with £1,905,729 in the previous year, a decrease of £663,242, whereas its costs decreased from £1,162,794 to £992,933, resulting in a surplus of £249,554 in the year compared with a surplus of £742,935 in 2015. The 2015 results included a gain of £906,280 from the disposal of Freemasons' Hall. Other gains and losses relate to movement in investments and show net gains of £164,758 compared with net gains of £57,706 in the previous year, thus the Charity's total unrestricted net assets have increased by £408,512 to £4.63 million.

It is the opinion of the Board that the Charity is in sound financial position and has sufficient assets and resources to enable it to continue to carry out its objectives as laid out on page 7.

THE CHARITIES INCOME

The charity's total unrestricted income has decreased by £663,242 due mainly to the recognition of a £906,280 gain on disposal of Freemasons' Hall in the previous year. The decrease has been mitigated by increases to income from donations, legacies and income received by Hewlett Court. Legacy income increased by £147,882 to £168,382, for which we are grateful for the generosity of our departed Brothers. Donations from Freemasons, their Lodges and Chapters increased by £114,705. Investment income also increased to £71,304 from £69,621 in the previous year.

The legacies received during the year of £168,382 being:

M Glass	£100,000
K Hilton	£67,632
J Moyse	£750

The total return from investments during the year was:

	2016	2015
	£	£
Investment income	71,255	69,591
Bank interest	49	30
Realised (losses) / gains on sale of investments	(2,748)	(2,790)

Unrealised gains on investments	168,382	61,218
	<u>236,938</u>	<u>128,049</u>

The value of the investment portfolio has increased by £286,911 following investment changes in the year, capital input and an increase in underlying values. Your Investment Committee continues to monitor the position very closely.

A list of all donations made during the year is shown on pages 38 to 40.

THE CHARITIES EXPENDITURE

Costs of the Charity, have generally been contained (note 7). Property expenses have decreased significantly from £256,463 to £29,477 following the sale last year of Freemasons' Hall. An increase in room rates and continued high occupancy has resulted in an operating profit of £109,409 for Hewlett Court compared to £87,464 in the previous year and the depreciation charge has increased to £36,513 from £32,866.

HEWLETT COURT

As mentioned earlier in the report, occupancy was at full occupancy during the year.

BALANCE SHEET

In the opinion of the Board the market value of the land and buildings is considerably greater than the book value. In view of the specialised nature of these assets, the Board considers that it is inappropriate to determine the market value. The total reserves of the Charity are £4,676,125 at the end of the financial year.

INVESTMENT POLICY AND PERFORMANCE

The present investment policy is to maximise the long term total return of the Charity's investment funds, subject to the risks normally associated with a balanced portfolio Management. The Charity does not restrict itself to any particular category of investment. The performance of the funds is measured against appropriate benchmark indices and during the year the result has exceeded all those benchmarks. The Investment Sub-Committee monitors investments with the assistance of the W H Ireland Ltd.

STATEMENT AS TO DISCLOSURE OF INFORMATION TO AUDITORS

So far as the trustees are aware, there is no relevant audit information (as defined by Section 418 of the Companies Act 2006) of which the charity's auditors are unaware, and each Director has taken all the steps that he ought to have taken as a Director in order to make himself aware of any relevant audit information and to establish that the Charity's auditors are aware of that information.

By Order of the Board

Philip J Price
Company Secretary

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The Trustees are responsible for their annual report and for the preparation of financial statements for each financial year, which give a true and fair view of the incoming resources and the application of resources of Charity and the Group during the year, and of the state of affairs as at the end of the financial year. In preparing these financial statements, the Trustees are required to:

- ensure that the most suitable accounting policies are established and applied consistently
- make judgements and estimates which are reasonable and prudent
- state whether the applicable accounting standards and statement of recommended accounting practice have been followed, subject to any material departures disclosed and explained in the financial statements
- prepare the financial statements on a going concern basis unless it is inappropriate to presume that the Charity will continue in operation

The Trustees have overall responsibility for ensuring that the Charity has appropriate systems and controls, financial and otherwise. They are also responsible for keeping adequate accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and the Group and enable them to ensure that the financial statements comply with the Companies Act 2006.

They are also responsible for safeguarding the assets of the Charity and the Group for their proper application as required by charity law, and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities and to provide reasonable assurance that:

- the Charity is operating efficiently and effectively
- all assets are safeguarded against unauthorised use of disposition and are properly applied
- proper records are maintained and financial information used within Charity, or for publication, is reliable
- the Charity complies with relevant laws and regulations

The Trustees are also responsible for the maintenance and integrity of the corporate and financial information included on the Charity's website.

Internal controls over all forms of commitment and expenditure continue to be refined to improve efficiency. Processes are in place to ensure that performance is monitored and that appropriate management information is prepared and reviewed regularly by the Trustees.

The systems of internal control are designed to provide reasonable, but not absolute, assurance against material misstatement or loss. They include:

- regular consideration by the Trustees of financial results, variances from budgets, non-financial performance indicators and benchmarking reviews
- delegation of day-to-day management authority and segregation of duties
- the Trustees are aware of the need for identification and management of risks, and to be satisfied that appropriate procedures are in place.

AUDIT REPORT

For the year ended 31st December 2016

Independent Auditor's Report to the Members and Trustees of The East Lancashire Masonic Charity

We have audited the financial statements of The East Lancashire Masonic Charity for the year ended 31st December 2016 on pages 26 to 37 which comprise the statement of financial activities, the balance sheet and the related notes. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

Respective responsibilities of directors (trustees) and auditor

As explained more fully in the Statement of Trustees' Responsibilities set out on page 23, the trustees (who are also directors of the charitable company for the purposes of company law) are responsible for the preparation of the Annual Report and financial statements and for being satisfied that they give a true and fair view.

Our responsibility is to audit and express an opinion on the financial statements in accordance with applicable law and International Standards on Auditing (UK and Ireland). Those standards require us to comply with the Auditing Practices Board's Ethical Standards for Auditors.

Scope of the audit of the financial statements

An audit involves obtaining evidence about the amounts and disclosures in the financial statements sufficient to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or error. This includes an assessment of: whether the accounting policies are appropriate to the charitable company's circumstances and have been consistently applied and adequately disclosed; the reasonableness of significant accounting estimates made by the trustees; and the overall presentation of the financial statements. In addition, we read all the financial and non-financial information in the Annual Report to identify material misstatements or inconsistencies with the audited financial statements. If we become aware of any apparent material misstatements or inconsistencies we consider the implications for our report.

AUDIT REPORT

For the year ended 31st December 2016

Independent Auditor's Report to the Members and Trustees of The East Lancashire Masonic Charity continued.....

Opinion on financial statements

In our opinion, the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31st December 2016, and of the incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with the United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006 and the Charities Act 2011.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, the information given in the Directors' Annual Report for the financial year for which the financial statements are prepared is consistent with the financial statements.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Companies Act 2006 and the Charities Act 2011 requires us to report to you if, in our opinion:

- the charitable company has not kept adequate and sufficient accounting records, or returns adequate for our audit have not been received from branches not visited by us; or
- the charitable company financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit report.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31st December 2016

1 COMPANIES ACT 2006

The Charity is not a trading company and the Profit and Loss Account formats permitted under the provisions of the Companies Act 2006 are not considered appropriate to report the transactions of the Charity.

The Directors have presented the Income and Expenditure Account as part of the Statement of Financial Activities in a format which they consider fully explains the transactions of the Charity.

2 ACCOUNTING POLICIES

(a) Basis of accounting

Subject to note 2(d) and 2(l), these accounts are prepared under the historical cost convention and in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) effective 1st January 2015 - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

(b) Reconciliation with previous Generally Accepted Accounting Practice

In preparing the accounts, the directors have considered whether in applying the accounting policies required by FRS 102 and the Charities SORP FRS 102 the restatement of comparative items was required. The directors concluded that no restatements were required.

(c) Cash flow statement

The Charity is exempt from the requirements to include a cash flow statement as part of its financial statements because it qualifies as small under the Companies Act 2006.

(d) Investment Income

Income from investments is recognised in the accounts at the date when it is received. This policy represents a departure from recommended accounting principles, which require income to be recognised in the accounts on an accruals basis. In the circumstances of this Charity, the directors consider it inappropriate to recognise this income until the date when it is due to be received. Other interest is accounted for on an accruals basis.

(e) Donations and grants

Donations and grants are recognised in the accounts at the date when these are received, as, in the opinion of the directors, it is not appropriate to recognise these at an earlier date. Grants and donations payable are recognised in the accounts at the date of authorisation.

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31st December 2016

2 ACCOUNTING POLICIES continued

(f) Legacies

Legacy income is recognised when the charity has entitlement to the funds which is taken as the earlier of the date on which either: the charity is aware that probate has been granted, the estate has been finalised and notification has been made by the executor(s) to the charity that a distribution will be made, or when a distribution is received from the estate. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity has been notified of the executor's intention to make a distribution. Where legacies have been notified to the charity, or the charity is aware of the granting of probate, and the criteria for income recognition have not been met, then the legacy is treated as a contingent asset and disclosed if material.

(g) Fund accounting

Unrestricted funds are available to spend on activities that further any of the purposes of the charity. Designated funds are unrestricted funds of the charity which the trustees have decided at their discretion to set aside to use for a specific purpose. Restricted funds arise from income which the donor has specified be solely used for particular areas of the Charity's work.

(h) Expenditure

Resources expended are recognised on an accruals basis and are allocated to the particular activity where the cost relates directly to that activity. Where costs cannot be directly attributed to specific headings, they have been allocated to activities on bases consistent with the use of the resources.

(i) Allocation of support costs

Support costs are those functions that assist the work of the charity but do not directly undertake charitable activities. Support costs include back office costs, finance, personnel, payroll and governance costs which support the charity's activities. These costs have been allocated between cost of raising funds and expenditure on charitable activities. The bases on which support costs have been allocated are set out in note 8.

(j) Pension contributions

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the statement of financial activities in the period to which they relate.

THE EAST LANCASHIRE MASONIC CHARITY (Company number: 79735)

(A company limited by guarantee)

NOTES TO THE FINANCIAL STATEMENTS

for the year ended 31st December 2016

2 ACCOUNTING POLICIES continued

(k) Tangible fixed assets and depreciation

Fixed assets are stated at cost less depreciation. No depreciation is provided on freehold land and buildings. The buildings are maintained to ensure that their value does not diminish over time and their realisable value, although not quantified, is in excess of their book value. In these circumstances, the directors consider that any charge for depreciation would not be material and thus it is inappropriate to charge depreciation on these assets. No depreciation is provided on leasehold improvements whilst the works are incomplete.

Depreciation is provided on other tangible fixed assets in order to write off the cost of each asset over its expected useful life at the following rates and bases:

Furniture and equipment	10% per annum straight line
	25% per annum straight line

(l) Investments

Listed investments are valued in the accounts at the mid-market price at the balance sheet date, including accrued interest where relevant. The surplus or deficiency arising from the valuation of investments is taken direct to the revaluation reserve. Unlisted investments are included at cost less provision for diminution in value. This policy represents a departure from recommended accounting principles, which require all investments to be included in the balance sheet at market value. The directors consider that it is not possible to establish with reasonable certainty the market value of the charity's investment in its subsidiary, without incurring disproportionate costs, which would not be beneficial to the charity.

Realised surpluses and deficits arising on disposals of investments determined by reference to the carrying value of the assets in the charity's balance sheet are included within Income and Expenditure for the year. Realised revaluation surpluses, representing the difference between historical cost and the carrying value of the assets, are reclassified by way of a transfer to general reserves in the year in which the disposal occurs.
