

Dear Brian,

As Chair of St Peter's Community Gathering I would like to thank the AuL and Mossley Branch of the Freemasons for your very generous donation to our community group.

This donation will enable our group to hold our annual Family Fun Day in Oxford Park this Summer. Many families benefit from the super day out where parents do not have to worry about what it will cost. As St Peter's Ward is classed as a highly deprived area many families find it hard to finance expensive trips out for their children and our annual Fun Day ensures these families enjoy fun, food and entertainment that doesn't cost them anything. The day is about bringing families together and enjoying each other's company and sharing the joy the day brings for them and their children.

Thank you to you Brian and the Masons for all the help and friendship you have given to us and not least for the wonderful donation we have received from you. Please come along if you can on Saturday, 7th July to see first-hand the happiness your donation will bring to our families. We are inviting the Civic Mayor of Tameside to open the event and the Tameside Reporter will be in attendance to record the event and take photographs.

Thank you once again to the Masons for your benevolence and kindness, it is very much appreciated.

Kind regards.

Joyce.
Chair.

This was followed by a further note from Councillor Joyce Bowerman:

Dear Brian,
You are welcome. What a fantastic organisation the Masons are and we are deeply indebted for their generosity.
Hope to see you soon.

Kind Regards

Joyce
