Dear Mike,

My daughter-in-law, Jen, asked me to scan and reproduce the Clitheroe Advertiser's photo and article as a more permanent record of your cheque presentation. it's not perfect but I thought you might like a copy for info.

Personally, I'm very pleased that our Organisation supported the Junior Park Run as a worthwhile project to get kids moving. Please pass on my thanks to your fellow committee brethren.

Yours sincerely and fraternally,

A handwritten signature in cursive script that reads "Ray".

Ray Fairwood.

Thanks have been expressed by the organisers of Clitheroe Castle junior parkrun after they were presented with a cheque for £625 from East Lancashire Masonic Charity to fund new equipment and signage as well as help with ongoing costs. Dr Jennifer Fairwood, event director, said: "This money will go towards ensuring we have better signage and equipment like high vis vests for our junior volunteers in addition to being able to replace worn-out equipment."

Mike Stubbs, East Ribbles District Charity Steward said: "It's really important to us to support local communities through worthwhile organisations like parkrun. We're delighted that local children and young people will benefit from our donation." **Clitheroe Advertiser & Times 12/6/18**
