To our friends & supporters at East Lancs Masonic Charity,

On behalf of everyone here at Child Action Northwest, we would like to say a huge, thank you for your generous donation and support with our Emojinal Health Campaign 2019...

10% of children and young people (aged 5-16 years) have a clinically diagnosable mental health problem, yet 70% of children and adolescents who experience mental health problems have not had appropriate interventions at a sufficiently early age.

(Children's Society, 2008)

With your support we were able to adopt a whole school approach with the 2019 campaign, and reached over 2000 school aged children, through mental health awareness assemblies, workshops and the charity concert. Since the campaign ended, we are getting more requests from schools, to deliver the mental health assemblies. Your support has allowed us to accommodate this and we are working on next year's campaign already.

Once again, thank you for your continued support.

Kindest Regards
