ELMC Grant for Scout Association – 24th Farnworth

Dear Sirs,

I am writing to thank you on behalf of the 24th Farnworth (St Stephen's) Scout Group based in Kearsley, Bolton for the grant of £829.65 that you kindly awarded to us in order to purchase heaters for our Scout Hut.

A presentation of the cheque was made to our Honorary Group President, Ken Savage, by your representative, Ian MacNeill, on 6th March 2020 with several members of our Beavers and Cubs in attendance and we have a plaque on our wall recognising the provision of the grant.

We have now purchased and installed most of the replacement heaters and they will greatly improve the heating of the building and allow us to continue our work in building #skillsforlife in a much more comfortable environment for the children.

Thank you again, it really is appreciated by all Members, Parents and Leaders at the 24th Farnworth (St Stephen's) Scout Group.

Yours Faithfully,

Stuart Savage
Group Scout Leader
