Dear ELMC

REF: Thank You

I write to thank you for your recent grant of £645 to Lucies Pantry, the food bank at Emmaus Bolton.

The food we provide is essential for the families we support. We are constantly hearing stories of parents going without meals or children only receiving school dinners during the week so the families can eat together at the weekend. We hear that children are unable to perform properly at school and parents struggle to work on empty stomachs.

Your grant will pay for a month of Faresshare produce allowing us to maintain our current service. We will be able to purchase additional stock that we can use to assist us with the ever increasing need and to provide a buffer for when demand exceptionally high. Currently we are feeding 300-400 people each week.

Once again, on behalf of Emmaus Bolton and the families we support, we send our best wishes and sincere thanks.

Yours faithfully

Tony Stephenson
CEO – Emmaus Bolton.
