April 2023

Reminiscent melodies
serenade the morning breeze.

Feathered creatures nest with care
in cherry blossoms pink and fair.

Perfumed scent of roses flow.
Tiny blades of green grass grow.

Misty showers soak the earth,
glorious colours come to birth.

Gathering clouds come and go,
rain, sun, and vibrant bow.

Dainty petals, fancy flair,
dancing in the warm, sweet air.

Violets, yellows, purest white,
graceful, gentle, welcomed sight.

Thank you, oh sweet lovely Spring,
patiently waiting the charms you bring!
