10 October 2023

Dear John,

We trust that this letter finds everybody in good health.

We want to acknowledge your generosity in assisting with our purchase of our much needed sound system to our hydrotherapy suite. It is such an amazing addition for us as a service provider and will bring so much joy and happiness to our children and their families and without yourselves this wouldn't have been possible.

Once installation has happened, which we are looking at mid January please feel free to come down to the centre so you can actually see our vision.

Best wishes from all at Jolly Josh.

Sarah Ford
Centre Manager
